

Building Reviews

Opportunities, Threats and Partnerships

Peter Gow

Introduction

- The right tools for the job
- Property laws and consumer laws
- The broad scope of building and property professions

Building and Property Reviews

- Building Confidence Report
- Expert Panel on Building Reform (Victoria)
- QBCC Governance Review (Queensland)
- Review of the role of developers within the Queensland building and construction industry
- Constructing Building Integrity

Main Themes

- Focus on construction, not operation or maintenance
- Registration as quality control
- Regulators must regulate
- Co-regulation
- Conflicts of interest

Jobs for Professional Associations

- What sort of association are you?
- Do you set professional standards?
- Do you assess competence?
- Do you police standards?
- Do you give members what they pay for?

Thank you
